### OFFICE OF THE CONTROLLER

#### NO.2 INTERNATIONAL TRAVEL MEASURES

I, Commissioner David Manning, Controller, by virtue of the powers conferred by Section 9 of the *National Pandemic Act 2020* and all other enabling powers, hereby issue the following Measures:

1. A port of entry stated in Column One in Schedule 1, being a port of entry into Papua New Guinea ('PNG') from another country is:
  - a. a First Port of Entry for aircrafts or vessels coming from another country into PNG as stated in Column Two for the time period of the Declaration of a Pandemic under the Act; and
  - b. a quarantine station for the performance of quarantine by any authorised person on any vessel, person, animal, plant or goods coming from another country into PNG;
  - c. designated as a Point of Entry for the purposes of Article 20(1) of the *International Health Regulations* (2005).
2. No vehicle, vessel or aircraft coming into PNG from another country, shall have entry at a Port of Entry in PNG which is not declared a First Port of Entry per paragraph 1 of these Measures.
3. No aircraft coming into PNG from another country, shall have entry at a Port of Entry in PNG, unless:
  - a. it is a regularly-scheduled flight operated by an organization listed in Schedule 2; or
  - b. provided authorization in writing by the Controller.
4. No person(s) shall cause a vehicle, vessel or aircraft to arrive at a port of entry in Papua New Guinea which is not a declared First Port of Entry under paragraph 1 of these Measures.

## INDEPENDENT STATE OF PAPUA NEW GUINEA

### NATIONAL PANDEMIC ACT 2020

---

5. No person is permitted to enter PNG on a tourist visa, except if provided an exemption in writing by the Controller.
6. No person is permitted to board an aircraft bound for Papua New Guinea or otherwise enter Papua New Guinea, unless they have been fully vaccinated against COVID-19 using one of the vaccines listed in Schedule 8, unless they are:
  - a. under the age of 18; or
  - b. a Papua New Guinea citizen or permanent resident.
7. No person is permitted to board an aircraft bound for PNG Guinea or otherwise enter Papua New Guinea, unless provided an exemption in writing by the Controller or his delegate, applications must:
  - a. include the documents contained in Schedule 4; and
  - b. persons must have the documents set out in Schedule 5 when checking in to travel.
8. All travel exemptions obtained in accordance with these Measures will be valid for 60 days from the date of approval.
9. All travel exemptions obtained in accordance with these Measures may only be used once.
10. Travel operators to PNG will check all persons at check-in for the documents listed in Schedule 5, a person must not be allowed to book a flight without these documents.
11. Subject to paragraph 12 and 13, no person is permitted to board an aircraft bound for PNG unless:
  - a. they have been tested for COVID-19 within a 72-hour period prior to boarding at their first port of departure to PNG; and
  - b. have returned a result indicating they do not have detectable levels of COVID-19.

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

12. For the purposes of paragraph 10, only Polymerase Chain Reaction (PCR) shall be accepted.
13. Children aged five years and under are not required to be tested in accordance with paragraph 11.
14. All travellers are to complete the e-Health Declaration Form prior to boarding a flight into PNG.
15. All incoming arrivals shall be tested for COVID-19.
16. Subject to paragraph 17 and 18, no incoming arrival shall be quarantined.
17. Persons who test positive for COVID-19, on their test upon arrival, shall be quarantined, details of this quarantine shall be conducted on a case by case basis at the discretion of the Controller and at the individuals own cost.
18. Citizens and Permanent Residents who are unvaccinated or partially vaccinated, or any persons who has been at any point in the past 14 days in a country or region designated by the Controller in a Direction as High Risk, regardless of vaccine status must:
  - a. quarantine under these Measures at a designated place in Schedule 2, or at their residence in Port Moresby or Central Province, or at another located as directed by the Controller;
  - b. except children aged 5 years and under for unvaccinated persons, be tested on arrival, day 7, day 12 of quarantine;
  - c. reside and remain in that place self-quarantined and segregated from other persons, for the period beginning on the day of arrival and ending at midnight on the fourteenth day after arrival into PNG;
  - d. for the duration of a person's quarantine be monitored through an approved tracking device, as listed in schedule 6, by an approved organization as listed in schedule 7.

4

## INDEPENDENT STATE OF PAPUA NEW GUINEA

### NATIONAL PANDEMIC ACT 2020

---

- e. the fee applicable for the purposes of paragraph 18(d) is set out in schedule 8.
19. All foreign personnel travelling on diplomatic travel document or diplomatic passport who have not been vaccinated using a vaccine listed in Schedule 9, are exempted from the requirements in paragraph 17 and 18 but must quarantine at an appropriate residence, for the period beginning on the day of arrival and ending at midnight on the twenty first day after arrival into PNG.
20. For the purposes of paragraph 19, failure to adhere to quarantine for the required period is not an offence under the *National Pandemic Act 2020*.
21. For the purposes of paragraph 19, an individual who fails to adhere to quarantine for the required period may be declared a persona non-grata according to Article 9 of the *Vienna Convention on Diplomatic Relations 1961*.
22. A couple or family shall be quarantined together should they enter PNG on the same flight.
23. Persons unable to live independently without ongoing or regular support due to significant health needs, and their carer, who arrive in PNG from overseas may also be quarantined together, with suitable arrangements being made for accommodation.
24. Persons may leave a designated place prior to the end of their designated quarantine:
- a. for the purposes of obtaining emergency medical care; or
  - b. with authorisation of the Controller for seeking non-emergency medical care or medical supplies; or
  - c. in an emergency situation, including evacuation of the designated place; or
  - d. for any reason approved in advance by the Controller or his delegate.
25. For the purposes of paragraph 18, an organisation may undertake this testing so long as their staff are licensed health practitioners and the organisation is properly licensed in PNG.

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

26. For the purposes of the testing requirements in paragraph 18, it is the responsibility of the quarantine provider listed in Schedule 2, to:
- a. organise the testing for individuals quarantining at their facilities;
  - b. pay for testing of individuals at their facilities, this fee may be passed onto to the quarantined person; and
  - c. pass on all test results to the National Control Centre in a timely manner.
27. A person who refuses to be tested for COVID-19, as required by these measures, shall be quarantined for an additional fourteen days from the date of refusal to be tested, at the individual's cost, but shall not be deemed to have committed an offence.
28. For the purpose of these Measures, a person arriving into PNG on any aircraft is taken not to arrive in PNG if the person does not leave the plane or the immediate vicinity of the aircraft for the purposes of conducting pre-flight inspections and refueling.
29. For the purpose of these Measures, a person arriving into PNG on any vessel is taken not to arrive in PNG if the person does not leave the vessel.
30. A person aged under 18 accompanied by a guardian, irrespective of vaccination status, shall quarantine for the same period and at the same location, as their guardian who is accompanying them.
31. A person aged under 18 accompanied by a guardian, whose guardian is not required to quarantine, shall not be required to quarantine, irrespective of vaccination status.
32. A person under 18 who is unaccompanied by a guardian shall be subject to quarantine as determined by the Controller on a case by case basis.
33. The Controller may exempt a person from some or all, of the International Travel Measures, at his sole discretion and subject to conditions he imposes.

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

34. Subject to paragraph 33, for the purposes of paragraph 17 and 18 an individual who fails to adhere to the required period of quarantine shall be deemed to have committed an offence under the *National Pandemic Act 2020*.
35. For the purposes of paragraph 33 a person who fails to adhere to the conditions imposed by the Controller shall be deemed to have committed an offence under the *National Pandemic Act 2020*.
36. A person or organisation that allows a person to board an aircraft bound for PNG in breach of these Measures shall be deemed to have committed an offence under the *National Pandemic Act 2020*.
37. A person that attempts to or does enter PNG in breach of these Measures shall be returned to their original port of departure at the cost of travel operator if they did not take reasonable steps to ensure compliance with these Measures, or the individual at the Controller's discretion.
38. These measures are in compliance with the COVID-19 measures issued by the International Civil Aviation Authority.
39. Authorised Officers shall ensure appropriate levels of surveillance and border monitoring systems are in place throughout the country for international travel and in particular at the traditional border crossing areas.
40. These Measures come into effect on 24 September 2021 and shall apply until the end of the Declaration of a Pandemic under the Act, or as varied or revoked by the Controller.

**OFFICE OF THE CONTROLLER**  
**NO.3 DOMESTIC MEASURES**

I, Commissioner David Manning, Controller, by virtue of the powers conferred by Section 9 of the *National Pandemic Act 2020* and all other enabling powers, hereby issue the following measures:

1. The Provincial Health Authority of each province will make a weekly assessment based on available health data regarding whether they view their provinces as being high risk, this is to be provided to the Provincial Administrator who will consider other provincial factors and who shall then recommend to the Controller whether their province should be classified as high risk or medium risk.
2. The Controller shall consider the assessment provided in paragraph 1, and shall at his sole discretion determine by Direction whether a province is high risk.
3. The Controller shall in making his determination consider the following as to whether a province is high risk:
  - a. the provincial assessment, if this is not provided as required, the Controller may take this failure into account when making the determination;
  - b. NHIS pneumonia data;
  - c. Number of COVID-19 tests completed, failure to conduct adequate testing may be taken into account by the Controller when making a determination;
  - d. Number of COVID-19 positive results recorded;
  - e. COVID-19 positivity rate; and
  - f. COVID-19 deaths, failure to report deaths may be taken into account by the Controller when making a determination.

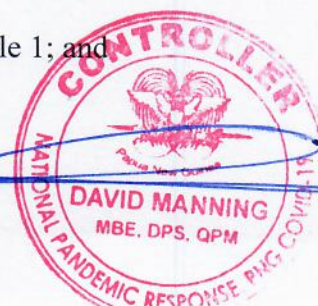

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

4. All provinces not declared to be high risk are considered medium risk for the purpose of these Measures.
5. All domestic flights must comply with the following requirements:
  - a. no person may travel if they are symptomatic for COVID-19;
  - b. hygiene and physical distancing restriction as issued by the Controller; and
  - c. all passengers must complete a National Department of Health form which are to be submitted to Provincial Health Authority on arrival.
6. Persons checking in for a domestic flight shall have their temperature checked by the airline staff, a person whose temperature registers at 37.5C or above, shall not be checked-in or allowed to board the flight, except for medivac and emergency flights.
7. Each province may at its sole discretion require persons arriving in the province to be tested for COVID-19.
8. A person who refuses to be tested under paragraph 7, may be quarantined by the province at a suitable location for a period of 14 days, but does not commit a criminal offence.
9. The following Measures apply to High Risk Provinces:
  - a. Roadblocks are to be established on all major highways into and out of high risk provinces.
  - b. All persons travelling into or out of a high risk province must be tested for COVID-19 using an approved test prior to travel.
  - c. No person may travel into or out of a high risk province, except:
    - i. if they have been fully vaccinated; and
    - ii. have a valid reason for travel as listed in Schedule 1; and

## INDEPENDENT STATE OF PAPUA NEW GUINEA

### NATIONAL PANDEMIC ACT 2020

---

- iii. have the written approval of the Provincial Administrator of the Province the person is traveling into.
  - d. An immediate ban is placed on all public gatherings, people may still attend shops and markets, however, they may only be there to shop and must not socialise or stay longer than required and must comply with the Niupla Pasin guidelines.
  - e. Religious gatherings may still occur but are limited to 50 people, but must comply with the Niupla Pasin Guidelines.
  - f. Venues or parts of venues must immediately close for the duration of the Pandemic that:
    - i. provide night club and pub activities and services; or
    - ii. sell and supply alcohol for consumption on the premises without food, except restaurants.
  - g. No club, recreational or professional sporting matches shall be allowed to played, except for recreational sporting games of no more than 4 persons, except as exempted by the Controller.
10. All medical transportation and medical evacuation flights are exempted from these Measures.
11. The following Measures apply to Medium Risk Provinces:
- a. An immediate ban is placed on gatherings of over 100 people.
12. The following Measures apply to all Provinces, regardless of their risk level:
- a. Venues or parts of venues that operate as a restaurant or for food consumption on premises may operate subject to:

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

- i. all persons on entry and exist from venues must wash their hands with soap or hand sanitiser; and
    - ii. follow all other hygiene standards as issued by the Controller.
  - b. Venues or parts of venues that provide gambling activities and services may open if they ensure strict adherence to the COVID-19 safety guidelines issued by the Controller in relation to operating a gambling activity and service.
  - c. No licensed premises shall sell takeaway alcohol on Friday, Saturday or Sunday, except restaurants who may continue to serve alcohol as regulated by their liquor license.
  - d. All schools, educational institutions, markets and shopping centers must comply with physical distancing requirements and safe and hygienic practices as issued by the Controller, including:
    - i. physical distancing of at least 1.5 meters between each person; and
    - ii. all persons on entry and exit the market must wash their hands with soap or hand sanitiser.
13. Religious activities may continue to operate, but must adhere to the follow restrictions:
- a. physical distancing of at least 1.5 meters between each person;
  - b. all persons on entry and exist into the place of worship must wash their hands with soap or hand sanitiser; and
  - c. follow all other hygiene standards as issued by the Controller.

14. The Council of Churches in consultation with the National Department of Health and all faith groups in PNG, shall prepare Standard Operating Procedures for all religious activities and gatherings.
15. The respective provincial chamber of commerce or provincial business peak body shall ensure that businesses develop COVID Continuity Plans for operation in each province.
16. A person or organization that fails to comply with these Measures, may be directed to close by the Controller or the relevant provincial administrator.
17. A person or organization may apply in writing to the Controller or the relevant provincial administrator for an exemption for a gathering exceeding the restrictions specified in paragraph 9(d) and 11(a), a request for an exemption must include the following steps taken to ensure compliance with Nuipela Pasin and to reduce the risk of the spread of COVID-19 at the gathering.
18. A person or organisation that allows a person to board an aircraft in breach of these Measures shall be deemed to have committed an offence under the *National Pandemic Act 2020*.
19. An individual or organisation that fails to comply these Measures shall be deemed to have committed an offence under the National Pandemic Act 2020.

**OFFICE OF THE CONTROLLER**  
**NO.4 PROVINCIAL COORDINATION MEASURES**

I, Commissioner David Manning, Controller, by virtue of the powers conferred by Section 9 of the *National Pandemic Act 2020* and all other enabling powers, hereby issue the following measures:

1. All Measures issued under the National Pandemic Act apply to all provinces in Papua New Guinea unless otherwise specified in the Measures.
2. All Provincial Administrators (including acting Provincial Administrators) appointed as Authorised Officers pursuant to the Act, will be responsible for the implementation of the Measures in the respective provinces. In the case of the Autonomous Region of Bougainville, the Chief Secretary of the Autonomous Region of Bougainville Government shall be responsible for the implementation of these Measures.
3. In the case of a province that does not have any Provincial Administrators (whether substantively appointed or appointed in an acting capacity), then the Controller shall appoint a person he considers can perform the responsibilities under these Measures, until a substantive or acting appointment of a Provincial Administrator is made pursuant to the *Organic Law on Provincial and Local-level Governments and the Public Services (Management) Act 1995*.
4. A Provincial Advisory Committee shall be set up within each Province. The membership in each Committee shall be:
  - a. Chairperson - Provincial Administrator;
  - b. Provincial Police Commander (PPC);
  - c. Chief Executive Officer of the Provincial Health Authority (PHA);
  - d. Chief Executive Officers of the District Development Authorities;
  - e. Other persons who the Provincial Administrator considers necessary for the purposes of the Committee;

- f. Church Representative;
  - g. Provincial Women's Council Representative or if no such representative exists then a woman as appointed by the Provincial Administrator;
  - h. Provincial Business Council Representative or if no such representative exists then as appointed by the Provincial Administrator; and
  - i. Other non-voting members may be coopted by the Taskforce.
5. Provincial Administrators will ensure that a Provincial Response Plan is developed consistent with the National Response Plan. The Plan is to outline:
- a. The key actions for implementation in the province, and
  - b. The allocation of core responsibilities.
6. A Provincial Control Centre shall be set up within each Provincial Government. The Provincial Control Centre shall be managed by a Provincial COVID-19 Taskforce, and will facilitate the implementation of Measures to ensure full adherence in the provinces. The Provincial Control Centre shall be supported by local law enforcement, health authorities, and other relevant bodies, who shall be Authorised Officers appointed pursuant to the Act.
7. The Provincial Control Centre shall be responsible for the enforcement of the Measures, public awareness, and shall report on all matters set out in paragraph 5.
8. The Provincial Administrator must report to the Controller, daily by 5pm, to the COVID-19 Police Hotline or email address on the following:
- a. all suspected cases of COVID-19;
  - b. all cases showing COVID-19 symptoms, and the measures that have been taken by the relevant health authorities and medical experts;
  - c. the implementation of these Measures in the provinces;
  - d. instances of non-compliance with the these Measures;
  - e. the implementation of other measures undertaken in the provinces;
  - f. status of Provincial Emergency Plans and implementation status; and

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

- g. all other matters relating to the Pandemic and the functions of the Controller as set out in the Act.
9. The Provincial Governments may continue to regulate matters not expressly contained in the Measures which would ordinarily be covered under provincial laws.
10. Provincial Governments must continue to observe safe health and hygiene practices as recommended by the NDoH and their PHA to prevent COVID-19.
11. Provincial authorities may impose additional conditions, necessary to implement these Measures, as authorised by the Controller.
12. The Provincial Control Centre must ensure the necessary public awareness of the Measures, and that the appropriate COVID-19 Information Hotlines are established.
13. These Measures come into effect on 30 September 2021 and shall apply until the end of the Declaration of a Pandemic under the Act, or as varied or revoked by the Controller.

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

**OFFICE OF THE CONTROLLER**  
**NO.8 COVID-19 SURVEILLANCE & TESTING MEASURES**

I, Commissioner David Manning, Controller, by virtue of the powers conferred by Section 9 of the *National Pandemic Act 2020* and all other enabling powers, hereby issue the following measures:

1. The following terms are defined in Schedule 1 of these Measures:
  - a. National case definition for COVID-19; and
  - b. Severe Acute Respiratory Infection.
2. The following shall be considered suspected COVID-19 case until test using a machine listed in Schedule 1 of Measure 7 is conducted that returns a negative result:
  - a. all cases of respiratory illness, including cases classified as pneumonia; and
  - b. all cases classified as Severe Acute Respiratory Infection;

regardless of travel or case contact history.
3. Any person admitted to a hospital for the purposes of paragraph 2 must have a sample collected for the purposes of testing for COVID-19 within 24 hours of being admitted.
4. Any patient admitted to a hospital for the purposes outlined in paragraph 2 must be managed using COVID-19 infection prevention and control protocols.
5. Subject to paragraph 6 all:
  - a. persons who present dead on arrival at a health facility; and
  - b. persons who die within 4 hours of presentation at a health facility; and

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

- c. inpatient deaths where the deceased had any symptoms consistent with case definition of COVID-19; and
  - d. inpatient deaths incongruent or inconsistent with reason for admission.
- must be swabbed for COVID-19 by the health facility and all swabs collected must be sent and tested using RT-PCR.
- 6. Paragraph 5 does not apply where death is caused primarily as a result of traumatic injury.
  - 7. All health facilities must establish a screening service at the entrance point(s) and must screen all persons, including, patients, visitors, staff and contractors to identify suspected COVID-19 cases.
  - 8. The purpose of the screening service is to identify potential COVID-19 cases so they may be swabbed and tested without delay to prevent transmission to others.
  - 9. All health facilities must ensure that all persons over 12 years of age are masked prior to entering, individuals remain physically distanced, and must ensure that staff apply appropriate infection control measures.
  - 10. In addition to suspect COVID-19 cases, all health facilities must collect specimens for COVID-19 testing from all fever  $> 37.5^{\circ}\text{C}$ , simple cough and inpatient pneumonia and outpatient pneumonia cases over 10 years of age.
  - 11. All Provincial Health Authorities CEOs, Port Moresby General Hospital CEO and all private hospital CEOs must submit daily reports by 6pm to the Controller, the NCC Surveillance Team and the relevant Provincial Administrator, including:
    - a. case investigation forms for all suspected COVID-19 cases per paragraph 2 of this Measures;
    - b. case investigation forms for all confirmed COVID-19 cases;
    - c. details of all deaths related to respiratory illness;

**INDEPENDENT STATE OF PAPUA NEW GUINEA**  
**NATIONAL PANDEMIC ACT 2020**

---

- d. details of all death certificates or death reporting forms for all confirmed COVID-19 cases
- e. details on the number of persons swabbed for COVID-19 testing; and
- f. any other information directed to be provided.

12. For the purpose of these Measures, the delegate of the Controller is the Deputy-Controller.

13. These Measures come into effect on 30 September 2021 and shall apply until the end of the Declaration of a Pandemic under the Act, or as varied or revoked by the Controller.
